“WHAT ARE YOU MISSING MOST?”

This has been one of the most frequently asked questions during the last few months.

Some of us have missed going to school or work; some have missed meeting up with friends and family members; some have missed eating out or even going out; and others have missed attending sporting events, or church services. No doubt we have all missed something.

It is true that we often *“don’t know what we’ve got ‘til it’s gone.”* It’s only when certain things are taken from us that we realise how important they are to us.

But have you ever felt that something has been missing from your life more generally?

For many people there is a sense of emptiness to life, a feeling of discontentment and a longing for something more. While many search for fulfilment in their career, possessions, hobbies and relationships, they continue to feel that ‘something’ is missing.

The Bible sheds light on why that is. It is not ‘something’, but ‘Someone’, that is missing from our lives. It is God.

The Bible says that as human beings we were designed by God to enjoy a unique, personal relationship with Him. It is in this relationship with God that we can unlock the true purpose of and potential for our life and find the real meaning for our existence.

In the Bible we learn that we have become disconnected from God because of our sin. We also learn that if this sin isn’t forgiven we’ll spend eternity separated from God in hell.

The good news is that God has provided a way for our sin to be forgiven and for us to enter into a life-changing relationship with Him. God sent His only Son, Jesus Christ, to suffer and die upon the cross to pay the penalty for mankind’s sin. Jesus rose from the dead and now offers forgiveness to anyone who will put their trust in Him.

Through faith in Jesus Christ we can have a personal relationship with the God who made us and the peace, love, hope and joy that we’ve been missing can be ours today.

“I HAVE COME THAT THEY MAY HAVE LIFE, AND HAVE IT TO THE FULL.”
