In the Bible we learn of another kind of debt - not a **financial** debt, but a **spiritual** one.

A Growing Debt

Jesus Christ came down from Heaven and went to **the cross** to suffer and die to pay the penalty of sin. He, the perfect one, endured the punishment which we, the guilty ones, rightly deserved.

Three days later, ***“God raised Him from the dead”*** to prove that the price of sin had been fully paid, enabling our spiritual debt to be fully cleared.

A Great Offer

Today, as a result of Jesus' death and resurrection all those years ago, God extends an amazing offer to each one of us.

Thankfully the Bible tells us that God is rich in **mercy** and **love** towards us who are spiritually bankrupt due to our sin.

He offers to forgive our sins and clear our spiritual debt completely if we confess our sin, place our trust in Jesus Christ, and receive Him into our hearts as our Saviour and Lord.

With the debt cleared we can look forward to a home in Heaven, rather than an eternity in Hell. **Will you accept God's offer today?**
